Dear Mr. Heaney,

Congratulations on making the *Crain's Chicago Business* "List of Largest Privately Held Companies." This recognition, based on your outstanding success, further establishes you as an industry leader.

Your leadership has paid significant dividends not just for your company, but for the State of Illinois. If it weren't for the success and growth of private companies like yours, our economy would not thrive or create jobs. Competing in the global marketplace, you have helped raise the quality of life for all Illinois residents.

For that, I want to extend my personal appreciation. All too often, elected officials fail to recognize the significant contributions of the private sector. As a former banker, I understand and fully appreciate everything you do for your local community and our great state.

As the state's chief investment officer, I thank you for your investment in Illinois. Please do not hesitate to contact me at (312) 814-3575 to share ideas on continuing to improve Illinois' economic health.

Respectfully Yours,

  
Alexi Giannoulis  
Illinois State Treasurer
